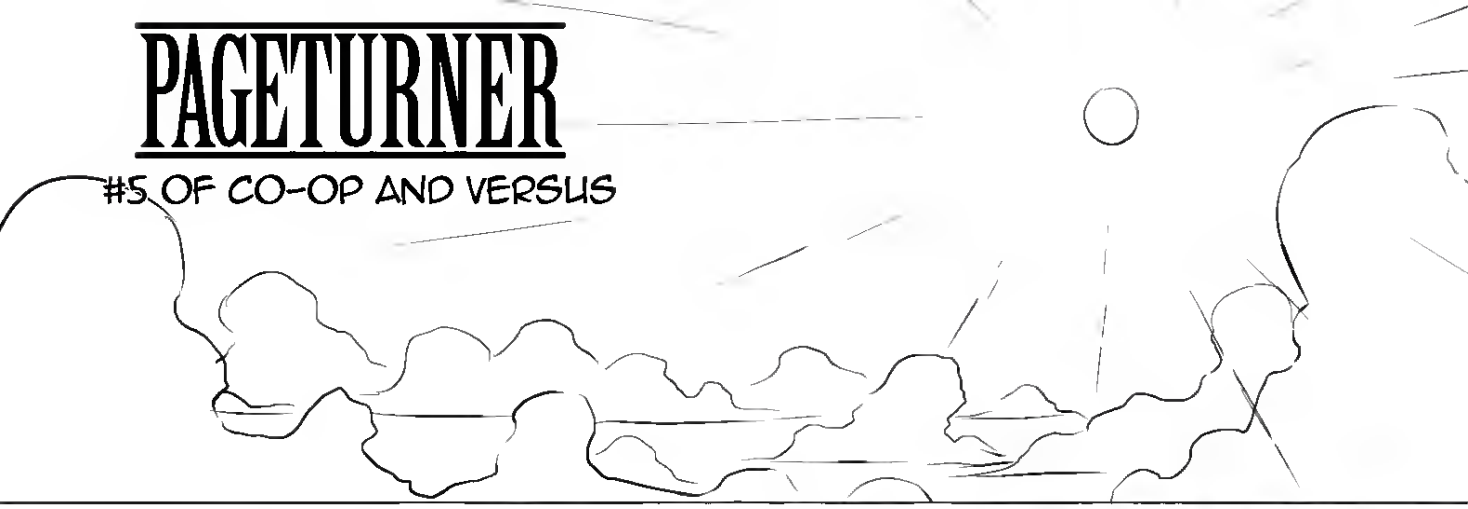
PAGETURNER

#5 OF CO-OP AND VERSUS



IT'S MAGICAL SHIT. ONLY PLANTS I FOUND WITH THE RIGHT KIND OF BUDS ALL HAVE MAGICAL PROPERTIES.
W..W..WHAT THE F-F-F-F-FUCK???
YOU'D MISS THE FULL EFFECT. WOULD YOU HAVE HIT IT IF YOU KNEW?
COULD'VE W..W..WARNED A G-GUY FIRST!
PROBABLY. IT'S BEEN MORE THAN 200 YEARS.
YUP. JUST WAITING FOR ZEPH TO COME BACK.
SO, ANY IDEA HOW YOUR RULES ARE GONNA WORK?
ABOUT TIME. I WAS WONDERING IF YOU'D EVER FINISH...

...SIGH... DUZIE, YOU CAN'T MAKE THE PETRIFICATION CURE WITHOUT...
...SMOKING...
...WATER... WHY ARE YOU ALWAYS SO DAMN GROSS?
AND NOT LIKE HE'S GONNA KNOW ANYWAY.
I DON'T HAVE ANY WATER ON ME.

GOOD. I WAS WORRIED IT WOULD TAKE A LOT.
SO DUZIE-DOOZ, WHAT'S THE WORD ON THE GAME THIS TIME?

THERE. THAT SHOULD GIVE US A HEAD START.
I GAVE IT A LOT OF THOUGHT, ACTUALLY, AND FIGURED OUT A WAY TO BEND THE RULES A BIT TO GET WHAT I REALLY WANT THIS CYCLE. WE'RE GOING TO TRY PLAYING THE GAME IN CO-OP.
YEAH. I'VE BEEN OUT OF MY CAGE FOR SIX MONTHS NOW AND I'M TIRED OF ONLY HAVING KRYS AS COMPANY.
CO-OP?
OK, SOUNDS GOOD IN THEORY. BUT HOW DO WE KEEP SCORE IF WE'RE ALL WORKING TOGETHER?
YOU AIN'T THAT CHARMING YOURSELF, ASS!

YEEEESH... THAT'S A LITTLE STEEP, AIN'T IT? SO?
I MADE A POINT SYSTEM! FOR HUNTING AND GATHERING JOBS, WE EACH GET ONE POINT PER OBJECTIVE. IN EVENTS WHERE SOMEONE NEEDS SAVING, 2 POINTS GO FIRST FOR EACH SAVE, THEN 1 FOR EACH ENEMY DISPATCHED. IF WE ENCOUNTER AN ALPHA, 10 POINTS FOR RETRIEVING A PAGE AND NEGATIVE 50 FOR KILLING IT WITHOUT RETRIEVING IT
THOUGHT YOU'D NEVER ASK!
IF THE GOAL OF THE GAME IS TO GATHER ALL THE PAGES AGAIN, THEN THERE NEEDS TO BE SOME PUNISHMENT FOR LOSING THEM. AND THEY'RE ALREADY THEIR OWN REWARD, RIGHT VOID?
POP
YEAH, JUST ONE MORE THING. WE'RE STARTING THIS JOURNEY OFF WITH A TRIP TO THE ARMORY!
WELL, ANYTHING ELSE WE SHOULD KNOW?
I GUESS SO.
AND A BATH AND SOME DEODORANT TOO, MAN. NO JOKE.
I CAN USE A CHANGE OF CLOTHES...
I STILL DON'T HAVE SHOES.
